

Examen admitere clasa aV-a- cu studiul intensiv al limbii engleze

PROBA ORALA- ETAPA 1

Bilet 1:

Read the text aloud, and answer the questions which follow it:

The National Museum of Anthropology in Mexico City has a big collection of ancient Mexican pieces. There are 23 galleries. There you can find exhibits of Aztec culture. A famous exhibit is the Sun Stone. This is a round sculpture. It shows the Aztec calendar. Another important exhibit is the Mask of the Zapotecs. This mask is a mix between an animal and a man- it's got four ears and a big mouth!

1. Is the Sun Stone round?
2. How many galleries are there in the museum?

Bilet 2

Read the text aloud, and answer the questions which follow it:

The Egyptian Museum in Cairo is a famous Museum in Egypt. There you can go to the Royal Mummy Room and see the 27 mummies. Some mummies are wrapped in bandages. Another important exhibit is the gold mask of King Tutankhamun. It shows the king's face. He's got big eyes and there's a vulture and a cobra on his forehead. These are symbols of his power.

1. Is the museum located in Alexadria?
2. How many mummies are there in the museum?
